

water conservation is a way of life

Beverly Hills Water Tracker Announcement

Did you know that up to 60% of your annual water use is outside your home? That's why it's important to know how much water we can save by being more efficient indoors and outdoors.

SAVE UP TO 100 GALLONS EACH TIME -
Use a broom instead of a hose to clean driveways and sidewalks

SAVE UP TO 500 GALLONS PER WEEK
Check your sprinkler system for leaks, overspray and broken sprinkler heads

Surrounding your plant with mulch reduces water evaporation by protecting the soil surface from direct sunlight

Premium high efficiency toilets use 20% less water. Rebates start at \$40 visit bewaterwise.com for more savings information.
