

# MULTI-FAMILY WATER SAVING TIPS FOR OWNERS

The City of Beverly Hills encourages everyone to use water efficiently. The following water conservation tips will help you and your Tenants:

- 💧 Encourage tenants to report leaky faucets and running toilets, and repair them immediately. Test toilets by ordering dye tabs from the City (see below).
- 💧 Install high efficiency toilets (rebate).
- 💧 Install low flow showerheads.
- 💧 Install aerators on kitchen and bathroom faucets.
- 💧 Install high efficiency clothes washers (rebate).
- 💧 During regular building inspections, check all toilets for leaks.
- 💧 Follow the City's outdoor watering code of 2 days per week October thru May and 3 days a week June thru September.
- 💧 Sign up for the City's FREE Water Tracking program at [Water.BeverlyHills.org](http://Water.BeverlyHills.org)

**REBATE INFO AT [WWW.SOCALWATERSMART.COM](http://WWW.SOCALWATERSMART.COM)**

**RUNNING TOILETS ARE  
THE #1 CAUSE OF LEAKS**

**ONE TOILET CAN LEAK  
UP TO 200 GALLONS  
EVERY HOURS**
