

GREEN HOLIDAY TIPS

**This holiday season please consider
the Beverly Hills' local community and the environment :**

Buy local whenever possible to help local businesses and reduce greenhouse gas emissions.
www.lovebeverlyhills.com/shopping

Give a gift certificate to experience an event, concert, play or movie - all are offered here in our city. Check the City's Rec & Park for low-cost, high-quality programs for residents of all ages.
www.beverlyhills.org/living/recreationparks/

Volunteer or donate by giving your time and/or money to local causes helping your community and giving you a sense of contribution and involvement.

Plant a Tree in your yard or community. Dedicate a tree through TreePeople's tree dedication program.
www.treepeople.org/tree-dedications

Conserve Water by purchasing a new High Efficiency Clothes Washer, Ultra High Efficiency Toilet, Weather Based Irrigation Controller, or other water saving device (including Turf Removal). Rebate info at www.SoCalWaterSmart.com

Donate your unwanted gifts to a local thrift store. Drop off old electronic devices at a free Household Hazardous Waste Collection Site. www.888CleanLA.com

Reuse your packing materials or drop them off for reuse at a local Shipping Store.

Recycle all of your food scraps by placing them in your green organics cart (this includes: fruit & veggies, meat, dairy, bread, pizza boxes, coffee & filter, napkins, etc).

Happy, Healthy, Waste-Free Holidays!
