ADDENDUM NO. 3

**MODERNIZATION OF THE ELEVATORS AT THE LIBRARY, POLICE DEPARTMENT
AND FIRE STATION HEADQUARTERS
BID NO. 18-17**

DATE OF ADDENDUM: AUGUST 15, 2018

The following changes, omissions, and/or additions to the Specifications and/or Drawings shall apply to bids made for and to the execution of the various parts of the work affected thereby, and all other conditions shall remain the same. In case of conflict between Drawings, Specifications, and this Addendum, this Addendum shall govern.

ITEM NO. 1 – Fire/Life/Safety Systems

Any modifications required of the fire/life/safety systems as a result of the modernization of the elevators shall be design-build by the Contractor and is a deferred approval. Contractor is responsible for obtaining all necessary permits related to the fire/life/safety systems. The City will provide the Contractor with architectural as-built drawings in AutoCAD for preparation of design-build drawings. Field verification shall be the responsibility of the Contractor. Addendum No. 1 indicated that HCI Systems, Inc. maintains the fire/life/safety systems for the City at these buildings. However, this information was incorrect. The company that installed the fire alarm panels at these buildings, and currently maintains the fire/life/safety systems at these buildings is:

JAM Corporation
